Your Itinerary

Stop 1: Mack House

3:45 PM - 5:15 PM

Reservations Required • Advance Purchase Required • Requires Admission

About: Toronto's own sneaker customization studio, here to teach you how to customize your very own 1-of-1 pair of kicks! Mack House will help you take an existing pair of shoes (brand new or something you already own) and add your personality to it. Mack House is open to all skill levels, so whether you want to do this with some friends or some of the cool kids in your life, they're ready for you.

Stop 2: Le Petit Chef

5:30 PM - 7:00 PM

About: Le Petit Chef offers a unique dining experience combining technology and culinary arts in Toronto's vibrant Harbord Village. Renowned for its innovative approach, the restaurant features a small, animated chef who "cooks" on your plate through advanced 3D mapping technology, providing an entertaining visual narrative as you enjoy your meal. This immersive dining adventure pairs exquisite multi-course meals with captivating storytelling, making every visit memorable. The menu at Le Petit Chef is inspired by global cuisines, presenting dishes that are both inventive and delicious. Each course is carefully prepared using high-quality ingredients, and the presentation complements the detailed animations created by the virtual chef. The setting is intimate, allowing diners to fully

appreciate the combination of technology and gastronomy in a cozy atmosphere. Whether for an adventurous date night or a special occasion, Le Petit Chef offers an extraordinary culinary experience that engages all the senses.

📌 Planner Tips: Tip 1: Ask the server if they can make the off-menu specialty dessert, which is a local favorite among the staff.

Tip 2: Request a seat at the chef's table for a more interactive and immersive dining experience, where you can observe the culinary process up close.

Tip 3: Inquire if they have any seasonal or limited-availability menu items that aren't listed, as they often incorporate fresh, local ingredients into these dishes.

Tip 4: If you enjoy wine, ask for their "hidden gems" list, which features a selection of rare and unique wines curated by their in-house sommelier.
